PROPER RUBBISH DISPOSAL APPEAL

It has come to our notice that there have been instances of improper rubbish disposal, which not only poses challenges for our cleaning staff but also affects the overall cleanliness and hygiene of our living environment. We kindly request your cooperation in addressing this issue effectively.

Proper rubbish disposal is a shared responsibility, and we encourage all residents to contribute to maintaining a clean and pleasant living environment for everyone. Here are some guidelines to consider:

1. ****Use Designated Bins:****

Please ensure that all waste is placed in the designated bins provided within the estate. Avoid leaving rubbish bags or items in common areas or corridors.

2. ****Segregate Waste:****

Segregate your waste into recyclables and non-recyclables, following the guidelines provided by your local waste management authority. This helps reduce the environmental impact.

3. ****Dispose of Bulky Items Responsibly:****

If you have large or bulky items to dispose of, please arrange for proper collection or disposal through authorized services. Do not leave such items in common areas.

4. ****Avoid Overflowing Bins:****

If a bin is full, kindly refrain from adding more waste to it. Overflowing bins not only create a mess but also attract pests.

We sincerely hope that all residents will join hands in adhering to these guidelines and make a positive impact on our community's cleanliness. Your cooperation is greatly appreciated.

Yours faithfully,

Intan Nur Lyana
