Dear Residents

Keeping community spaces clean and beautiful

As the festive season approaches, you may be celebrating this joyous occasion at the beautiful green spaces near your homes.

While enjoying the festivities, let's do our part to keep our shared spaces clean by binning our waste properly and encouraging others to do the same.

We would also like to remind residents that littering is an offence under the Environmental Public Health Act (Cap. 95). Any person who is caught littering can be fined up to \$2,000 for the first offence, \$4,000 for the second offence and \$10,000 for the third and subsequent offences.

Together, let's keep our neighbourhood clean and green.

This notice is jointly issued by the Mountbatten Grassroots Organisation and the National Environment Agency (South East Regional Office).
