NOTICE ON DRONE DEPLOYMENT AT MARINA RESERVOIR

PUB, Singapore's National Water Agency and ST Engineering Aerospace Ltd will be operating drone flights at the Marina Reservoir, to conduct monitoring and surveillance of our reservoirs.

2 The drone flights will take place during the following period:

Dates	12 Apr to 26 Apr 2021
Timing of drone flights	Between 0700hrs to 1800hrs

3 Drone flights will occur at various intervals throughout the day and operate solely within the boundaries of the reservoir, and will not fly near any residential buildings. They are used for the monitoring of water activities, illegal fishing at non-designated areas, aquatic plants growth, water quality monitoring and mapping of algae hotspots.

4 For any feedback or enquiries, please contact PUB_QSM@pub.gov.sg.

5 Thank you.

Yours sincerely,

LEE JING HUI (MS)
