### CAR DECAL UPDATING EXERCISE

Dear Sir/Madam,

We refer to the above matter.

During our routine inspection and patrolling, we have observed that there are many vehicles that:

- do not display their car decal
- have not updated the vehicle number (mismatched numbers)
- use defaced or blank decal
- have not registered their vehicles

The Regentville decals (1<sup>st</sup> car – round yellow decal / 2<sup>nd</sup> car green square decal) are a means to identify if the vehicles are registered and are parked at the correct decks or location. If the stickers are not displayed prominently and/or have the wrong details, **it a parking offence whereby offenders may face wheel clamping as per the by-laws. The wheel clamp release fee is \$214.00 (inclusive of GST).**

The objective of this exercise is to update the records and minimize illegal parking in Regentville.

Please ensure your car registration(s) are in order. If you need assistance, kindly approach us at the Management Office to fill out the car registration form, submit the log card and / or make a payment of \$21.40 for each decal in cash when necessary.

We appreciate your cooperation on this matter. Kindly disseminate this message to your family members / tenants and advise your visitors to park at 5A and above.

The Management cordially seeks your understanding and co-operation to make the estate a pleasant and safe place to live in.

Thank you.

Yours faithfully,

*Genie*
