Dear Residents of Sunglade,

3 May 2018

SPH TO RUN DELIVERY PILOT WITH PARCEL SANTA

As you may know, Parcel Santa has installed a Modular Smart Locker System in your condominium that currently serves as your Personal Concierge for parcels, receiving and holding them safely until you collect them.

We are pleased to inform you that Singapore Press Holdings (SPH) will be conducting a delivery pilot with Parcel Santa for a period of 3 months. This means that from **3 May 2018**, parcels delivered by **SPH to Sunglade** will be deposited into our Smart Lockers located at **Basement 2 Carpark, beside Block 11**. As part of our pilot, you will benefit from a growing group of delivery professionals ensuring your e-commerce parcels are delivered safe and secure.

In commemoration of our partnership, we are giving out gifts via our lockers to a few lucky residents! Here's what you need to do:

1. Like us on our Parcel Santa Facebook page .
2. Comment '**Sunglade**' on our SPH collaboration post.
3. Share our SPH post on your own page.
4. We will pick 5 lucky winners every day. So check your phone for our QR Code, as it could be you!

Let's welcome SPH to Parcel Santa's connected intelligent nation network!

Best regards,
Parcel Santa Team
