Dear Residents,

LITTERING/THROWING OF CIGARETTE BUTTS

We received complaints that cigarettes butts were thrown from the windows or balconies and it landed on the lower floor units. This inconsiderate behaviour causes not only a nuisance to your neighbours but also act as a potential fire hazard.

Cigarette butts were also found at the basement carparks. Please remember that smoking in the common area is prohibited as per by-law. Necessary action will be taken against offenders if caught.

We requested all the residents to be more considerate and refrain from littering and throwing of cigarette butts for a safe and clean environment. Thank you.

Yours faithfully,

Nani
