

CIRCULAR

Ref: CIR/001/12012021

12th January 2021

Attention: Subsidiary Proprietors / Occupier(s) of Livia Condominium

Dear Sir / Mdm,

TIMER ADJUSTMENT TO COMMON CORRIDOR LIGHTING DUE TO RAINY WEATHER

The management have observed that the common corridors are still rather dark when the timer (of the lighting) cuts in at around 7.00 a.m.

For security and safety of residents, we will make an adjustment to the timer setting. The timer will be programmed to cut in at 8.00 a.m. only (instead of the regular 7.00 a.m.) on a temporary basis until the weather improves.

The above arrangement shall commence from 13th January 2021 onwards.

Please do not hesitate to contact us at 6636 0981 for clarification.

Thank you.

Yours faithfully
