CLEAN UP AFTER YOUR PET(S)

We have observed a rise in the number of reports regarding dog owners leaving urine and excrement in visible places in a common area. As much as we value having pets in our neighborhood, pet owners must be accountable for cleaning up after their animals to keep the area tidy and sanitary.

Please be advised that neglecting to take the actions will draw pests and possibly result in bacterial or viral infestations. Consequently, this could compromise the residents' hygiene and health. It is also detrimental for the ambiance of the estate.

We would appreciate if you **carried with you poo bags and bottled water to clean up after your pet(s).**

- a. Water to lessen the estate's stench and minimize the possibility of stains on the walls, plants, and walkways.
- b. Reduce the health hazards to the other estate residents.

We recognize that it might be challenging for pet owners to predict when their pets(s) will urinate or defecate, but it is the pet owner's duty to keep our condominium community clean and pleasant. Your kind cooperation is appreciated in advance.

We thank you in advance for your kind cooperation.

Please contact the Management Office at Tel No. 6636-0981 if you need any clarification.

Thank you.

Yours faithfully,

Remy (Mr)
