

NOTICE

Ref: NOT/009/08022024

8th February 2024

Attention: Subsidiary proprietors / Occupier of Livia Condominium

Dear Sir / Mdm,

TEMPORARY NIGHT CLOSURE OF RESIDENT'S VEHICLE LANE AT MAIN GUARD HOUSE

We refer to the above caption.

The barrier system was reported out of order on 20th January 2024. And the estate's term contractor was activated to investigate the cause of breakdown and attempted to troubleshoot.

However, their efforts were in vain. They would need to replace the system totally. Unfortunately, they do not hold any ex-stock now and the festive season is causing a delay to the supply chain. The replacement works will be delayed.

For the security and safety of residents and motorists, the management has removed the barrier serving the residents' vehicle entry lane temporarily to avoid any mishap. (i.e. accidental barrier coming down and hitting vehicles).

We will be closing the residents' vehicle entry lane during the following stipulated time until a new barrier system is replaced. During this time, please join other motorists in the visitor's lane. We apologize for any inconvenience caused.

RESIDENTSLANE CLOSURE TIME
10:00 p.m. to 6:00 a.m.

We thank you in advance for your kind patience and understanding.

We sincerely apologize for any inconvenience caused.

Please do not hesitate to contact us at 6636 0981 if you need any clarification.

Thank you.

Yours faithfully
