Water Feature Under Repair

As you are aware, our Water Feature at the Main Entrance have not been in operation for quite some time. We have done a series of trouble shooting and have identified a few issues that needs urgent rectification.

We are working with our vendor, Wateronics to complete the repairs as soon as possible.

We will keep all Residents updated on the progress of the repairs.

We are sorry for any inconvenience caused.

Thank You.

Yours Faithfully,

Benedict Ang
