TRIP RESET FOR WATER PUMPS AT AFFECTED BLOCKS

The Management has received feedbacks on the malfunction water pumps affecting residents of Blocks 50 and 52. We have alerted the incumbent technicians to check on the water pumps and they were found to have tripped, possibly due to the Fire Protection Renewal Exercise conducted the day before.

Please be informed that the Technicians have done a trip reset and it will take approximately 3 to 4 hours for the water tanks to be filled up and ready for use. We apologise for any inconveniences caused.

Thank You.

Yours Faithfully,

Jasmin (Ms.)
