

CASUARINA COVE

BBQ USE RULES

BBQ operating instructions **MUST BE READ** before use. The gas unit is used at your own risk. **DO NOT MOVE** gas unit from its seated position due to gas pipe

LIGHTING GAS UNIT

Ensure gas regulator is properly seated on cylinder **BEFORE** turning regulator knob to upright position

PUSH BBQ unit burner knob **IN** and **TURN** knob to **HIGH**. **PRESS** **IGNITOR** button until flame is seen and release. Once flame lit, turn on burner knob that is just next to the already lit burner. The burner flame should be seen.

CLEANING UP

END BBQ at least 30 minutes before end time. **TURN** burner knob to **HIGH** and **CLOSE** unit cover for 5 minutes to **BURN OFF** **FOOD RESIDUE** on grill.

TURN OFF gas at cylinder. Ensure all unit knobs are **OFF**.

Remove grill and plate and wipe away all food residue **INSIDE** **AND OUTSIDE** the unit and BBQ structure.

Morning BBQ must end by 3.00 pm and evening BBQ must end by 10.00 pm. Cleaners will take over BBQ unit at the end time.

Canvas cover must be placed over BBQ unit when done

Thank you for your cooperation
