

Dear Residents,

Please refer to the below infographics on Area Closures for National Day Parade 2021.

As the National Day Parade 2021 takes place at The Float @ Marina Bay on 21 August, do note that the areas denoted in blue will be closed to the public from 11am to 11.59pm that day. There should also be no loitering in the areas marked in yellow. The nearby Marina Barrage, Bay East Garden and their carparks will be closed to facilitate the event. Ambassadors will be deployed to keep everyone safe. Let's all do our part!

To support the closure of Bay East, NParks will be setting up water barriers along Tg Rhu Promenade (represented by the cross circle symbol) and red/white tape barriers (represented by thin blue lines) this Saturday (21/8) from 1500-2100hrs to deter crowds from gathering. Park visitors will be diverted to commute to/from ECP Area A via Rhu Cross (ref pix below).

Nparks seeks Costa Rhu MCST to close off all the side gates 2, 3 and 4 of Costa Rhu that leads to the Tg Rhu Promenade for the duration of the closure (ie. 1500-2100hrs) ops.

Do not hesitate to Management Office should you have any questions.
