

12 June 2021

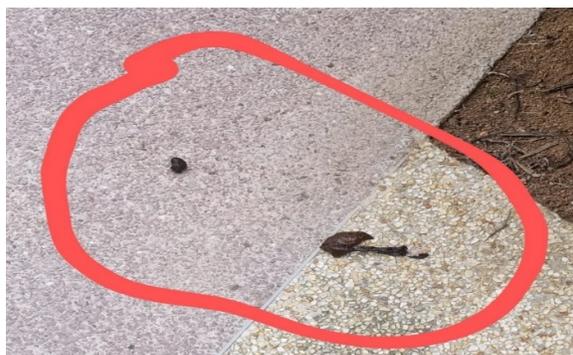

TO: All Subsidiary Proprietors / Occupiers  
Varsity Park

Dear Sir /Madam

## CLEAN UP AFTER YOUR PETS

We have noticed an increase in pets' excretion/urination at the common areas such as the common corridors, staircases, lifts, void decks, walkways and turf areas. Please train your pets for not allowing them to urinate and defecate at these areas.

We seek your co-operation as responsible pet owner to **practice responsible pet ownership habits** to have a clean estate. Please clean up your pets' waste after they have defecated by using glove and plastic bag. Kindly bring along a water bottle and pour water over the area immediately after your pet does its business to neutralise the spot.

Animal waste if left unattended can result in:

- Transmission of infectious and parasitic diseases
- Unpleasant smell
- Staining
- Accidental soiling of the common areas

All of us can work together to achieve a clean, healthy and pleasant environment for our neighbours, friends and our loved ones.

Thank you.
