

Update: 6 May 2021

COVID-19 Safe Entry - Back to Phase 2: Gym and Function Room Closure 8 to 30 May and BBQ Closure til 30 May 2021 and Tightening Safe Management Measures

Following the latest Government Advisory on 4 May 2021 and the latest Advisory by BCA on 6 May 2021, in view of the recent increasing number of local COVID-19 clusters and cases, one of the measures to quickly reduce the level of interactions in the community includes the Closure of indoor Gym from May 8 to 30 as they have been identified as higher-risk settings.

"These are small enclosed spaces where people are frequently unmasked while exercising, and in close proximity with many other unmasked people," said MOH.

In line with the Covid-19 precautionary measure and in the interest of safety, we will also close the Function Room to minimize the risk exposure as residents tend to mingle with each other more closely and may not practice safe management measures in the Function Room.

- ❖ Henceforth, we would like to inform residents that the following facilities will be **Closed from 8 May (Saturday) to 30 May (Sunday) 2021:**
 - **Gym**
 - **Function Room**
- **BBQ 1** will continue to be **closed until 30 May 2021 (Sunday)** and **BBQ 2** **closed until further notice.**

Safe Management Measures

As Singapore tightens Covid-19 measures, please continue to practice Safe Management Measures in complying to current regulatory requirements and playing our part in keeping each other healthy and safe:

1. **Wearing a mask remains mandatory** when you are out of your unit (even just to throw rubbish at the bins or to the letterbox or using facilities) unless doing strenuous exercise.
2. Individuals should maintain **safe distancing of at least one metre at all times** and when **using all facilities.**

Safe Management Measures

3. Where the **1 metre safe distancing** between individuals is **not feasible or practicable**, it can be **applied between groups**, with **each group made up of not more than 5 persons**, and with **no mixing or interaction** between groups **[with effect from 8 May to 30 May 2021]**
4. If the activities involve exercising or playing of sports, then a longer safe distance of 2 to 3 metres should be maintained.
5. People can get together socially in **groups of up to five**, and that **each household may only receive up to 5 distinct visitors per day [with effect from 8 May to 30 May 2021]**.
6. To **limit social gatherings to 2 a day whether to another household or in a public place (from 8 to 30 May 2021)**.
7. Residents must strictly adhere to the restriction on number of visitors especially during festive period and public holiday seasons.
8. Visitor's entry into the estate is conditional upon declaration of purpose of entry via the SafeEntry QR code at the main entrance.

Kindly comply with and follow the guidelines and requirements from the Singapore authorities, including:
