

## CIRCULAR

Ref. : CIR/020/21092022  
Date : 21<sup>st</sup> September 2022

To : All Residents of Livia

Dear Residents,

### UPDATES ON BOOKING OF BBQ PITS (GAS AND NON GAS)

The Management refer the subject matter.

Following up on our circular issue in April 2022 regarding manual booking for BBQ pits without gas, we would like to inform you that due to the continuation of the global logistics issues, the vendor is still not able to repair the gas BBQ Grill for 1A, 2, 3 and 4A. As they are unable to provide a definite date for repair, the management has bought two portable charcoal grills to ensure that residents can enjoy more BBQ pits.

These charcoal grills are placed at BBQ Pit 2 & 3. Residences who book these charcoal pits are to provide their own charcoal. Booking for these BBQ (Charcoal) pits remain the same; that is in person booking at the MA office. In Summary, the Pits are as follows:

BBQ Pit	Fuel Medium	Booking
1B & 4B	Gas	Via Livia.sg website
2 & 3	Charcoal	In person booking at MA office
1A & 4A	None	In Person Booking at MA office

Do note that booking is on a first-come first served basis.

We would like to thank all residents for their patience in this matter and please call 6636 0981 for any enquiries on the above matter.

Yours faithfully

Tay Tai Chung (Mr.)
